Dr. h. c. Friedrich Oelrich

Dr. h. c. Friedrich Oelrich

Chief Risk Officer of DekaBank Deutsche Girozentrale

Curriculum Vitae

Dr. h. c. Friedrich Oelrich (54) began his professional career in 1979 with Stadtparkasse München. In 1986, he moved to Bayerischer Sparkassen- und Giroverband (Bavarian Savings Bank and Giro Association), where his responsibilities included developing profitability, liquidity and balance sheet structure policies.

The graduate with a diploma in business administration for savings banks took over as Head of Department of the Corporate Management unit of Deutsche Genossenschaftsbank Bayern in 1990, where he subsequently assumed the role of Head of the Controlling department from 1992 to 1994.

Following a year working at Bankhaus Aufhäuser, he was Head of Marketing and Controlling until 2000 as well as spokesperson for the departmental management of the savings banks at Bayerische Landesbank München.

Since 1 January 2001, Dr. h. c. Friedrich Oelrich has been on the Board of Management of DekaBank. He is responsible for IT, Group Risk and is the Group COO (Chief Operating Officer).
